

Having trouble Manifesting Your Dreams? Join me Monday for LIVE Healings & More!

Lots of great questions have come up since the launch of my Unlock Your Superpowers – 7 R's Formula for Masterful Manifesting program such as:

- * Can I manifest good things for my husband and children?
- * Why am I so blocked with asking for what I want?
- * I feel so much resistance to writing down my Vision – why?
- * Why do bad things happen to “good” people – it doesn't seem fair!
- * Why is it easy for some people to manifest what they want and so difficult for others (even though they are trying hard!)
- * Should I be working on manifesting small things before big things?
- * Why does my Vision of my New Life require joy and passion?

..so I'm thrilled to be able to answer these and more on my radio show Monday. We'll leave plenty of time to do some mini-assessments so you can see what the number 1 thing preventing you from manifesting your Vision is and whether my new program is for you (in case you're still on the fence and haven't invested in it yet).

Please note that there are only 2 Package B's left at 1st tier pricing (the package pricing goes up after the first 100 packages sold). If you haven't had a chance to take a look at the packages yet, go to www.orderjoynow.com/karen-kan-15. And if you've already invested in the package – YAY!!! WELCOME aboard!

Our Private UYS Facebook group has been teaming with activity since the release of Module 1 this week, and soon we'll be releasing Module 2 to help you become masterful at manifesting!
